

SAVE THE BAY ACTION FUND

In 2020, Bay Area voters can take bold action on some of the biggest threats to our region: climate change, pollution, the shortage of affordable housing, mounting traffic, and aging infrastructure that is at risk from sea level rise, flooding, and growing population pressures.

**These are Save The Bay Action fund's ballot measure endorsements for the
March 3, 2020 Primary**

Contra Costa County

YES on Measure J

For transportation improvements, including transit operations and bike and pedestrian infrastructure, with innovative solutions to reduce GHGs and vehicle miles traveled

Oakland

YES on Measure Q

For park maintenance, homeless services, and natural stormwater solutions

Napa County

YES on Measure K

For open space, water quality, and wildfire resilience

San Jose

YES on Measure E

For homeless prevention and funding for permanent and affordable rental housing

YES on Measure J

For the East Side Union High School District to buy land and construct affordable educator housing

Sonoma and Marin Counties

YES on Measure I

Financing for the SMART train to reduce traffic and provide transportation options in the North Bay
